

Something's Happening Here

Buffalo Springfield

There's something happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware

I think it's time we stop, children, what's that
sound
Everybody look what's going down

There's battle lines being drawn
Nobody's right if everybody's wrong
Young people speaking their minds
Getting so much resistance from behind

I think it's time we stop, hey, what's that
sound
Everybody look what's going down

What a field-day for the heat
A thousand people in the street
Singing songs and carrying signs
Mostly say, hooray for our side

It's time we stop, hey, what's that sound
Everybody look what's going down

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
You step out of line, the man come and take
you away

We better stop, hey, what's that sound
Everybody look what's going down
Stop, hey, what's that sound
Everybody look what's going down
Stop, now, what's that sound
Everybody look what's going down
Stop, children, what's that sound
Everybody look what's going down

White Rabbit

Jefferson Airplane

One pill makes you larger
And one pill makes you small
And the ones that mother gives you
Don't do anything at all
Go ask Alice, when she's ten feet tall

And if you go chasing rabbits
And you know you're going to fall
Tell 'em a hookah smoking caterpillar
Has given you the call
To call Alice, when she was just small

When the men on the chessboard get up
And tell you where to go
And you've just had some kind of mushroom
And your mind is moving low
Go ask Alice, I think she'll know

When logic and proportion
have fallen sloppy dead
And the white knight is talking backwards
And the red queen's off with her head
Remember what the dormouse said
"Feed your head, feed your head"

Get Together *The Youngbloods*

Love is but the song we sing,
And fear's the way we die
You can make the mountains ring
Or make the angels cry
Know the dove is on the wing
And you need not know why
C'mon people now,
Smile on your brother
Ev'rybody get together
Try and love one another right now
Some will come and some will go
We shall surely pass
When the one that left us here
Returns for us at last
We are but a moments sunlight
Fading in the grass
C'mon people now,
Smile on your brother
Ev'rybody get together
Try and love one another right now
If you hear the song I sing,
You must understand
You hold the key to love and fear
All in your trembling hand
Just one key unlocks them both
It's there at your command
C'mon people now,
Smile on your brother
Ev'rybody get together
Try and love one another right now
Right now... Right now!

Magic Carpet Ride *Steppenwolf*

I like to dream yes, yes, right between my
sound machine
On a cloud of sound
I drift in the night
Any place it goes is right
Goes far, flies near,
to the stars away from here

Well, you don't know what we can find
Why don't you come with me little girl
On a magic carpet ride
You don't know what we can see
Why don't you tell your dreams to me
Fantasy will set you free
Close your eyes girl, look inside girl
Let the sound take you away

Last night I held Aladdin's lamp
And so I wished that I could stay
Before the thing could answer me
Someone came and took the lamp away
I looked around, a lousy candle's all I found

Well, you don't know what we can find
Why don't you come with me little girl
On a magic carpet ride
Well, you don't know what we can see
Why don't you tell your dreams to me
Fantasy will set you free
Close your eyes girl, look inside girl
Let the sound take you away

Don't know what we can find
Why don't you come with me little girl
On a magic carpet ride
You don't know what we can see
Why don't you tell your dreams to me
Fantasy will set you free
Close your eyes girl, look inside girl
Let the sound take you away
